To allow citizens an opportunity to participate in an advisory role in planning, implementing and assessing the development of ‘2011 Community Development Block Grant Funds’ with various projects presented for consideration.

Prior to public comment, DPW Director Lange gave an overview of the 2011 initial request for projects:

- Signal & Intersection ADA Upgrades which includes hearing impaired signal devices, signal display improvements & sidewalk/pavement upgrades for handicap accessibility at Packard & College Avenue in the amount of \$35,000.
- Property Maintenance Program in the amount of \$8,000.
- Cudahy/St. Francis Interfaith in the amount of \$12,000.

She further explained that the typical annual allocation is between \$50,000 and \$60,000. She explained that there may be a couple of issues with the Property Maintenance Program, Interfaith and Project Concern. Last year the County wanted the City to reduce that to between 10% and 15% of our allocation. We requested a letter from the County explaining that, but the City has not received that letter to date.
